

B.3 CONTRACT LINE ITEMS (CLINs)

- A. The estimated costs in the following CLINs include costs for the specific tasks associated with the referenced SOW paragraphs, as well as any associated costs with performing the work under SOW paragraphs 1.0, 4.0, 5.0 and 6.0. The amount of fixed fee is subject to the maximum fee percentage specified in the contractor's basic contract.
- B. The amount of fixed fee is subject to the maximum fee percentage specified in the contractor's basic contract. In the event of a conflict between the amount of the fixed fee specified in Section B.3, when calculated as a percentage of the estimated cost(s), exceeds the maximum fee percentage specified in the basic contract, the maximum fee percentage specified in the basic contract takes precedence. Under the foregoing circumstances, the amount of the fixed fee will be calculated in accordance with the maximum fee percentage specified in the basic contract regardless of the amount specified in Section B.3. If the fixed fee amount is less than or the same as the percentage specified in the basic ID/IQ, then the amount specified in Section B.3 is applicable.
